

## **Axis 360 and china communications corp. to build the largest b2b portal in china**

*New York, NY May 10, 2004*

The internationally recognized web development firm **Axis360** has signed an exclusive contract to build and maintain the newly announced China Communications Corp. business-to-business portal. [www.ChinaCom.com](http://www.ChinaCom.com) is to be a Search-Engine Platform to focus on the large and growing Chinese B2B Market. Through an exclusive partnership with [www.ChinaDaily.com.cn](http://www.ChinaDaily.com.cn), one of the largest news organizations in China, ChinaCom is poised to become the leader in the Chinese B2B market. "Axis360 is incredibly excited to partner in what, we know, will be one of the best business to business portals in the world", stated Kevin Dorry, CEO of Axis360. The multi-language site, which Axis360 expects to launch sometime in Q4, 2004, will not only allow the user to easily search for suppliers in China it will also be the best information resource in the world to learn how to do business securely with the fastest growing marketplace in the world.

### **About Axis360**
